Taxi Information

To get to Gamma Technologies or your hotel from the airport, it is recommended that you use this taxi service:

American Taxi

Toll Free: 1-800-244-1177

Rates (effective January 2012): Approx \$40 from either O'Hare or Midway airports

When you arrive at O'Hare or Midway you call the toll free numbers shown above from any phone. Additionally, American Taxi has free courtesy phones at O'Hare. Provide the Taxi company your name, which terminal you are in, and your destination (Westmont). They will give you a Taxi Number (which is found on the Driver or Passenger doors on the Taxi) and will pick you up near the TAXI sign outside the terminal. For example, if you are arriving to the international terminal (Terminal 5), they will ask you to go to exit door 5E and wait outside. If you are going to a domestic terminal (Terminals 1,2,3) they will tell you to go to some specific exit door, and then cross to the center curb and wait there for your taxi.
